
Bid Results of the Government Cooperation with Business Entity (KPBU) project for Komodo Airport - Labuan Bajo

Jakarta, 27 December 2019 – On behalf of the Consortium, we are PT Cardig Aero Services Tbk, a National Company engaged in the field of air transportation support services, catering solutions, and other leading services in Indonesia, as well as the chairman and controller of the Consortium, thank the Government Contracting Agency (PJKP) for choosing us as the winner of the Government Cooperation with Business Entity (KPBU) project for Komodo Airport - Labuan Bajo.

Upon notice of award issued by the Government Contracting Agency, the consortium will finalise the cooperation agreement in accordance with the PPP (Kerjasama Pemerintah dan Badan Usaha) process. We look forward to the opportunity to jointly unlock the full potential of the airport together.

About the Consortium

The consortium is led by PT Cardig Aero Services Tbk (CAS), a leading provider of air transportation support, food solutions and other related services in Indonesia. The other members of the consortium are Changi Airports International Pte Ltd (CAI), a leading investor, consultant and manager in the global aviation market and Changi Airports MENA Pte Ltd, a wholly owned subsidiary of CAI.
